

One for One

MOVEMBER & TOMS STEP TOGETHER FOR MEN'S HEALTH

With Moustache Season in our sights, Movember is excited to announce that TOMS will join us in 2011 to help raise much needed awareness and funding for prostate cancer and male depression in Australia.

United in our passion to make a difference, TOMS and Movember have teamed up to support men's health and to provide new shoes to children in need.

So grow a moustache (or support one) for the month of November and be seen with the ultimate Mo accessory... a pair of LIMITED EDITION Movember TOMS.

Proceeds go to the Movember Foundation, and as always, with every pair purchased ***TOMS will give a pair to a child in need. One for One.***

Available for both men and women, Movember TOMS will be exclusively available for purchase in selected Hype DC stores nationally and online at www.tomsshoes.ca/Movember from mid October.

WOMENS
Movember Grey/Black Classics
